

AMERICAN ALLIANCE

The American Alliance is the first national paralegal organization to set a minimum education requirement for voting membership. Voting members of the American Alliance must have at least a post-high school education, or a paralegal certificate and six years paralegal work experience. Although the criteria for voting membership are based on these minimum standards, the American Alliance embraces all practicing paralegals and has established an associate membership category. Other groups interested in the profession may join as sponsors.

Mission Statement: The purpose of the American Alliance of Paralegals, Inc. is to advance the paralegal profession by focusing on the individual paralegal.

Goals and Standards:

- ◇ Establish minimum educational criteria
- ◇ Adhere to ethical standards
- ◇ Provide networking opportunities
- ◇ Create a resource center
- ◇ Associate with national and local organizations

The American Alliance offers national seminars, a website, calendar, a quarterly newsletter, and ready access to a wealth of information on regulation and legislative issues effecting the profession.

American Alliance members are encouraged to participate in various committees and leadership opportunities within the organization. Voting members are eligible to serve on the Board, and associate members may serve on any committee and assist in special projects.

SUMMIT

The Summit will be held via live webinar broadcast, which can be accessed directly from your desk or any convenient remote location. Attendees will be provided with access instructions when they register.
